Agreement: This agreement is between Becky Brown (photographer) and client (stated above). The photographer agrees to provide wedding photography at the places, dates and times specified above. The client will pay a \$200 deposit for reservation of the wedding shoot date. If for any reason she (photographer) cannot fill that obligation, the photographer will provide a full refund of the deposit. The client owes the remaining balance on the wedding date.

Image and Rights : This agreement constitutes an order for photography services, which involves digital images, photographs, digital albums and prints. It is understood that the photographer will retain the rights to the photographs and may use them for advertising, display and any other purpose thought proper by the photographer. Uses may include posting to the photographers website or advertising through print, bridal show or other mediums.

Photography: The photographer will do her best to capture the day in a manner that is pleasing to the clients. Weddings do involve unforeseen circumstances that prelude the taking of some photographs. These unforeseen circumstances may involve time constraints, late members of the party, or weather. I ask that you compile a list of shots you desire one week prior to the wedding date including names of any friends or relatives you would like to have photographed. The photographer is not responsible for these people being present at time of shoot. Please be sure to let them know when they are needed so that no one is left off of your list.
